Lenten Sand Art

There are many ways we experience God's presence around us. Lent is a time when we are especially mindful of the ways we close our eyes to God and look for ways in which we can recommit our lives to God's service. So, this Lenten season we are going to reflect on how we are "Full to the Brim" with God's grace and mercy. Several stations will be set up with bowls of sand in the narthex and sanctuary. Each color represents one way we experience God's presence. Please take the opportunity to stop at one of the stations to reflect and combine your experience with the experience of others.
